Case No. C-08-0385-SC

SECOND AMENDED COMPLAINT

[CLASS ACTION]

JURY TRIAL REQUESTED

Dana Gilbert on behalf of herself and all others similarly situated, alleges as follows:

INTRODUCTION

1. This is a nationwide collective action, on behalf of all Business Banking Officers and trainees, or the functional equivalent however titled, who are, or were, employed by Citigroup, Inc., Citibank, N.A., or their parents, subsidiaries, divisions, related or successor companies (hereafter collectively "Defendants") to recover unpaid wages pursuant to the Fair Labor Standards Act of 1938, as amended, 29 U.S.C. § 201 *et seq.* ("FLSA").

2. Plaintiff also brings this action as a state-wide class action on behalf of all current and former Business Banking Officers and trainees within the State of California, who are or were employed by Defendant to recover unpaid wages due pursuant to the California

1 Labor Code, Industrial Welfare Commission Wage Orders, and the California Business &
2 Professions Code.

3 3. Plaintiff is unaware of the names and capacities of all defendants who may have
4 caused or contributed to the harms complained of herein, but will seek leave to amend this
5 complaint once their identities become known to Plaintiff. Upon information and belief,
6 Plaintiff alleges that at all relevant times each defendant was the officer, director, employee,
7 agent, representative, alter ego, or co-conspirator of each of the other defendants, and in
8 engaging in the conduct alleged herein was in the course and scope of and in furtherance of
9 such relationship.
10

11 SUMMARY OF CLAIMS

12 4. Plaintiff brings this suit on behalf of a Nationwide Class defined as all current
13 and former Business Banking Officers and trainees who worked for Defendants at any time in
14 the United States of America from three years prior to the time this action was originally filed
15 to the time the action is certified as a collective action. The Nationwide Class is comprised of
16 two subclasses:
17

18 a. Nationwide Subclass A is defined as all current and former salaried
19 Business Banking Officers and trainees who worked for Defendants at any time in the United
20 States of America from three years prior to the time this action was originally filed to the time
21 the action is certified as a collective action.
22

23 b. Nationwide Subclass B is defined as current and former hourly Business
24 Banking Officers and trainees who worked for Defendants at any time in the United States of
25 America from three years prior to the time this action was originally filed to the time the action
26 is certified as a collective action.
27
28

1 5. Plaintiff also brings this suit on behalf of a California Class defined as all
 2 current and former Business Banking Officers and trainees who worked for Defendants at any
 3 time in California from four years prior to the time this action was originally filed to the time
 4 the action is certified as a class action. The California Class is comprised of two subclasses:

6 a. California Subclass A is defined as all current and former salaried
 7 Business Banking Officers and trainees who worked for Defendants at any time in California
 8 from four years prior to the time this action is filed to the time the action is certified as a class
 9 action.

11 b. California Subclass B is defined as current and former hourly Business
 12 Banking Officers and trainees who worked for Defendants at any time in California from four
 13 years prior to the time this action was originally filed to the time the action is certified as a
 14 class action.

15 6. The California Class and the Nationwide Collective Class are hereafter
 16 collectively referred to as the "Class."

18 7. Plaintiff alleges on behalf of the Nationwide Collective Class who elect to opt-in
 19 to this action that they are: (a) entitled to the minimum wage from Defendants for work for
 20 performed off-the-clock without any pay; (b) entitled to unpaid wages from Defendants for
 21 overtime work for which they did not receive overtime premium pay; and, (c) entitled to
 22 liquidated damages and penalties pursuant to the FLSA, 29 U.S.C. § 201 *et seq.*

24 8. Plaintiff alleges on behalf of the California Class who do not opt-out that they
 25 are: (a) entitled to wages and penalties for work for performed off-the-clock without any pay;
 26 (b) entitled to wages and penalties for overtime work in excess of forty hours in any given
 27 workweek, and/or in excess of eight hours in a workday for which they did not receive
 28

1 premium pay at the rate of one and one-half times the employee's regular rate; (c) entitled to
 2 wages and penalties for overtime work in excess of twelve hours in any day or for work in
 3 excess of eight hours on the seventh day of any workweek at the rate of two times the
 4 employee's regular rate; (d) entitled to unpaid wages for Defendant's failure to provide
 5 required meal and rest breaks; (e) entitled to penalties for failing to properly and timely pay all
 6 wages due and owing at time of termination; (f) entitled to wages and penalties for
 7 impermissibly failing to reimburse for all business related expenses; and, (g) entitled to
 8 penalties for failing to retain and provide accurate records of actual hours worked and wages
 9 earned by Plaintiff and the California Class.
 10
 11

12 9. As a result of Defendants' willful violation of the FLSA and California law,
 13 Plaintiff and the Class were illegally under-compensated for their work.
 14

15 **FACTUAL ALLEGATIONS**

16 10. Plaintiff and the other similarly situated members of the Class with the title
 17 Business Banking Officer, Business Banking Officer in training, or the functional equivalent
 18 however titled, were inside salespeople, and/or trainees to become inside salespeople, engaged
 19 in the sale of financial products on behalf of Defendants, who regularly worked in excess of
 20 forty hours per workweek and/or in excess of eight hours per day without any pay and/or
 21 premium pay as required by law.
 22

23 11. Due to the nature of the job responsibilities and requirements of Defendants'
 24 Business Banking Officers, Plaintiff and the members of the Class were required to work more
 25 than forty hours a week and/or more than eight hours per day during the course of their
 26 employment with Defendants.
 27
 28

1 12. Unless proven to be exempt from the protection of overtime laws, all employees
2 are entitled to premium overtime pay for overtime work.

3 13. All employees must be paid the minimum wage regardless of their exemption
4 classification.

5 14. The duties of Business Banking Officers are set forth in uniform, company-wide
6 policies and procedures promulgated by Defendants.

7 15. Pursuant to the Defendants' uniform employment policies, Business Banking
8 Officers were, at certain times during the statutory coverage of this action, paid principally on a
9 salary basis, irrespective of the hours actually worked, and were unlawfully classified as
10 exempt from overtime compensation.

11 16. Plaintiff is informed and believes and thereon alleges that on or about June
12 2007, Defendants reclassified on a class-wide basis all of its Business Banking Officers from
13 salaried exempt to hourly non-exempt status.

14 17. Subsequent to Defendants' reclassification of all Business Banking Officers
15 from exempt to non-exempt status, Defendants allowed, suffered and permitted Business
16 Banking Officers to work off-the-clock without pay.

17 18. Despite requiring its Business Banking Officers to work overtime hours during
18 the time they were classified as salaried exempt, Defendants did not pay the back wages to the
19 Business Banking Officers that continues to be due and owing.

20 19. In reclassifying the Business Banking Officers from exempt to non-exempt,
21 Defendants did not change the duties and responsibilities of the position.

22 20. In reclassifying the Business Banking Officers from exempt to non-exempt,
23 Defendants treated the Business Banking Officers as a class.

1 21. In reclassifying the Business Banking Officers from exempt to non-exempt,
2 Defendants revealed that its previous classification of the Business Banking Officers as exempt
3 was illegal and without substantial justification.
4

5 22. Defendants' employment policies regarding Business Banking Officers did not
6 require them to hold any specific degree.

7 23. Although the FLSA and California law provide for certain exemptions to the
8 mandates of paying overtime compensation, no exemption applies in the instant matter.
9

10 24. Plaintiff and members of the Class were not administratively exempt because
11 their primary duty was and is the sale of financial products. Plaintiff and the Class did not
12 perform work directly related to the management policies or general business operations of
13 Defendants or their customers.

14 25. Plaintiff and members of the Class were not exempt under the commissioned
15 sales exemption because this exemption is unavailable to Defendants due to the fact that
16 Defendants lack a retail concept. Additionally, the commissioned sales exemption under
17 California law is not available to Defendants because Defendants' incentive pay program was
18 not a true commission pay plan under the law and/or Class members did not make more than
19 half of their total compensation through the incentive pay plan.
20

21 26. Plaintiff and members of the Class were not exempt under the outside sales
22 exemption under either the FLSA or California law because Business Banking Officers spent
23 nearly all of their time inside one or more of Defendants' locations or traveling in between such
24 locations.
25
26
27

1 27. Plaintiff and the Class do not qualify for the professional exemption under the
2 FLSA or under California law because Business Banking Officers are not employed in a *bona*
3 *fide* professional capacity, requiring a specific degree in a field of science or learning.

4
5 28. As such, Business Banking Officers, including Plaintiff and members of the
6 Class, were wrongfully classified by Defendants and were not exempt from the requirement of
7 premium pay.

8 29. In violation of the FLSA and California law, Plaintiff and the members of the
9 Class have not been paid overtime compensation at a rate not less than one and one-half times
10 their regular rate of pay for work performed over the 40 hour work week and/or over 8 hours in
11 a day.

12
13 30. In violation of the FLSA and California law, Plaintiff and the members of the
14 Class have not been paid the minimum wage for all hours worked as a result of working off-
15 the-clock.

16
17 31. Plaintiff alleges on behalf of the members of the Class that Defendants' failure
18 to pay overtime was knowing and willful.

19 32. Evidence reflecting the precise number of overtime hours worked by Plaintiff
20 and every other member of the Class, as well as the applicable compensation rates, is in the
21 possession of Defendants.

22
23 33. Each of the foregoing acts is in contravention of applicable employment laws.

24 **JURISDICTION AND VENUE**

25 34. This Court has jurisdiction over this matter pursuant to 29 U.S.C. § 216(b) and
26 28 U.S.C. §§ 1331, 1332(d).

27
28 35. The amount in controversy exceeds \$5,000,000.

1 36. Further, this Court has supplemental jurisdiction under 28 U.S.C. § 1367 over
2 Plaintiff's state law claims because those claims derive from a common nucleus of operative
3 facts.
4

5 37. In addition, this Court is empowered to issue a declaratory judgment pursuant to
6 28 U.S.C. §§ 2201 and 2202.

7 38. Venue is proper pursuant to 28 U.S.C. § 1391, as a substantial part of the acts or
8 omissions giving rise to the claims alleged herein occurred within this judicial district and the
9 Defendants are subject to personal jurisdiction in this district.
10

11 PARTIES

12 39. Plaintiff Dana Gilbert is a resident of the State of California and was employed
13 by Defendants as both a salaried and hourly Business Banking Officer during the statutory time
14 period covered by this Complaint who Defendants failed to compensate for all hours worked.
15

16 40. Plaintiff was a Business Banking Officer who worked out of multiple branches
17 of Defendants in the State of California, including but not limited to Defendants' branches
18 operating in this judicial district.

19 41. For purposes of the Nationwide Class, Plaintiff consents in writing to be a party
20 to this action, pursuant to 29 U.S.C. § 216(b).
21

22 42. At all relevant times during the applicable class period, Defendants have
23 operated nationwide and has maintained offices within this district and the state conducting
24 business at those locations. Defendants employed, upon information and belief, hundreds of
25 Business Banking Officers in the State of California at any one time and Plaintiff estimates the
26 Nationwide Collective Class far exceeds that amount in total number of participants during the
27 relevant statute of limitations period.
28

COLLECTIVE/CLASS ACTION ALLEGATIONS

43. Plaintiff brings this action on behalf of the Nationwide Collective Class as a collective action pursuant to the Fair Labor Standards Act, § 216(b) and on behalf of the California Class as a class action for claims under California law pursuant to Federal Rule of Civil Procedure 23.

44. The claims under the FLSA may be pursued by those who opt-in to this case pursuant to 29 U.S.C. § 216(b). The claims under California law may be pursued by all similarly-situated persons who choose not to opt-out of the California Class pursuant to Federal Rule of Civil Procedure 23.

Allegations Applicable To All Classes

45. The members of the classes are so numerous that joinder of all members is impracticable. The exact number of the members of the classes can be determined by reviewing Defendants' records. Plaintiff is informed and believes and thereon alleges that there are hundreds of individuals in both the Nationwide and California classes.

46. Plaintiff will fairly and adequately protect the interests of the Class and has retained counsel that is experienced and competent in class action and employment litigation. Plaintiff has no interests that are contrary to, or in conflict with, members of the Class.

47. A class action/collective action suit, such as the instant one, is superior to other available means for fair and efficient adjudication of this lawsuit. The damages suffered by individual members of the Class may be relatively small when compared to the expense and burden of litigation, making it virtually impossible for members of the Class to individually seek redress for the wrongs done to them.

48. A class and collective action is, therefore, superior to other available methods for the fair and efficient adjudication of the controversy. Absent these actions, the members of

1 the Class likely will not obtain redress of their injuries and Defendants will retain the proceeds
2 of their violations of the FLSA and applicable California law.

3 49. Even if any member of the Class could afford individual litigation against
4 Defendants, it would be unduly burdensome to the judicial system. Concentrating this
5 litigation in one forum will promote judicial economy and parity among the claims of
6 individual members of the Class and provide for judicial consistency.

7 50. There is a well-defined community of interest in the questions of law and fact
8 affecting the Class as a whole. Questions of law and fact common to each of the Class
9 predominate over any questions affecting solely individual members of the action. Among the
10 common questions of law and fact are:
11

12 a. Whether Business Banking Officers were properly classified as exempt
13 by Defendants from overtime compensation;
14

15 b. Whether Defendants lack a retail concept;
16

17 c. Whether Plaintiff and members of the Class were expected to, and/or did
18 as a matter of corporate policy and practice, regularly work hours in excess of forty per week
19 and/or in excess of eight hours per day;
20

21 d. Whether Defendants allowed, suffered and permitted the Class to work
22 off-the-clock;

23 e. Whether Defendants paid the Class the minimum wage;

24 f. The manner in which Plaintiff and members of the Class were
25 compensated;

26 g. The amounts and types of wage deductions Plaintiff and members of the
27 Class were subject to; and,
28

1 h. Whether Plaintiff and the Class have sustained damages and, if so, what
2 is the proper measure of damages.

3 **Allegations Specific To The Nationwide Collective Class**

4
5 51. Pursuant to 29 U.S.C. § 207, Plaintiff seeks to prosecute the FLSA claims as a
6 collective action on behalf of:

7 All current and former Business Banking Officers and trainees
8 who worked for Defendants at any time in the United States of
9 America from three years prior to the time this action was
10 originally filed to the time the action is certified as a collective
11 action.

17 All current and former Business Banking Officers and trainees
18 who worked for Defendants at any time in California from four
19 years prior to the time this action was originally filed to the time
20 the action is certified as a class action.

21 54. In addition to the common issues of fact described above, the Class Members
22 have numerous common issues of fact, including whether Defendants: (a) failed to compensate
23 adequately the members of the California Class for overtime hours worked as required by
24 California Wage Order 4-2001, 8 C.C.R. § 11040 and California Labor Code §§ 510 and 515;
25 (b) failed to pay members of the California Class the minimum wage as required by California
26 Labor Code § 1197.1; (c) committed an act of unfair competition under Business & Professions
27 Code § 17200 *et seq.*, by not paying the required minimum wage and overtime pay as required
28 by applicable law; (d) failed to provide all required meal and rest breaks in violation of

1 California Labor Code § 226.7; (e) failed to maintain and provide members of the California
 2 Class with accurate and detailed records of hours worked and wages earned, pursuant to
 3 California Labor Code § 226 and 1174; (f) improperly failed to reimburse California Class
 4 members for business related expenses in violation of California Labor Code § 2802; and (g)
 5 damaged members of the California Classes, and if so, the extent of the damages.
